Q: Are you highly knowledgeable about the copper trade in China? If so, please elaborate on what perspective you can provide (trader, consultant etc.) (05/09/2012)

A: [GLG Translated]: I have over 20 years' experience in the copper trading industry in China. My own business covers from trading of copper ore to copper and copper wires and other products. I am also holding many honorable titles in various industry associations regarding Nonferrous metals and Precious Metals. As a matter of fact , I am the mining owner of several ore mines in Africa. I can provide insights regarding the current demand and supply dynamics in copper trading of China.

Path: Assets > Energy & Industrials Assets > Natural Resources > Mining > Gold Mines > Asia > China

Q: Can you discuss how much copper supply is available for trade in China? If so, please elaborate. (05/09/2012)

A: [GLG Translated]: Domestic copper supply in China can only satisfy 30% of the entire demand, 70% of the copper demand relies on import.

Path: Assets > Energy & Industrials Assets > Natural Resources > Mining > Gold Mines > Asia > China

Q: Do you have professional experience in the Chinese copper trade? If so, please indicate when and in what capacity (buyer, seller, trader, etc.). (04/23/2012)

A: I have over 10 years professional experience in China's non-ferrous metal industry, including the trade of copper and silver.

Path: Assets > Energy & Industrials Assets > Natural Resources > Mining > Gold Mines > Asia > China

Q: Are you knowledgeable about copper supply and demand trends in China? If so, please indicate how your professional experience enables you to discuss this topic. (04/23/2012)

A: As President of a company trading various metals, including copper, I am familiar with market dynamics, such as supply and demand trends.

Path: Assets > Energy & Industrials Assets > Natural Resources > Mining > Gold Mines > Asia > China

Q: Are you knowledgeable about bonded copper warehouses in China? If so, please indicate how your professional experience enables you to discuss this topic. (04/23/2012)

A: As I am doing copper trade, I am knowledgeable about bonded copper warehouses in China, such as its financial purpose etc.

Path: Assets > Energy & Industrials Assets > Natural Resources > Mining > Gold Mines > Asia > China

Far far away, behind the word mountains, far from the countries Vokalia and Consonantia, there live the blind texts. Separated they live in Bookmarksgrove right at the coast of the Semantics, a large language ocean.

A small river named Duden flows by their place and supplies it with the necessary regelialia. It is a paradisematic country, in which roasted parts of sentences fly into your mouth.
